

## Mortuary Refrigeration Planning

Wessex Mortuary Hire are pleased to offer an immediate and flexible storage solution, with the following three options (**\*prices quoted are + VAT**)

### 1! Quick Deployment Refrigerated Trailer

£400 per week (delivery charge applicable)

Providing immediate body storage at chill or freeze temperatures, and no minimum rental period.

Racking can be configured for bariatric, standard or paediatric bodies as required.

**Retained service:** The assurance of a guaranteed backup, with an 8-hour delivery window

This contractually retained facility costs £60 per week, and the weekly rental charge remains at £400.

Internal dimensions - 3m long x 1.8 wide x 2 high

## 2! Medium Term, Modular Storage

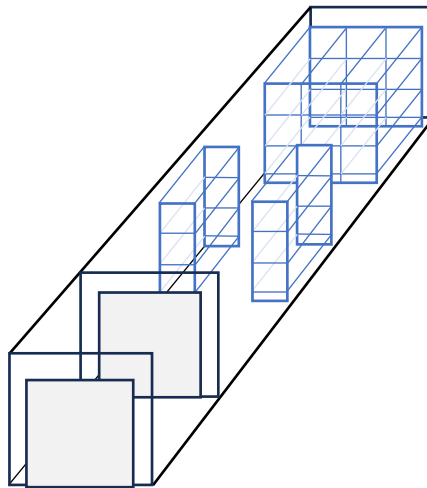

from £250 per week (4 weeks minimum and delivery charge applicable)

This flexible, semi-permanent facility can be quickly built indoors or out. Typically the build time for our modular rooms is between 2 and 6 hours. Because it is a modular construction, we can tailor the length and width and offer bariatric doors and racks, and all our rooms can be set at either chill or freeze.

Our comprehensive 24/7 breakdown cover is included in all our rental options.

9-body, outdoor freezer, with bariatric door  
Internal dimensions 3m long x 1.8 wide x 2 high

15 body room with security area

15 body room with bariatric door  
Internal dimensions 6m long x 2.2 wide x 2 high

**Retained service:** The assurance of a guaranteed backup, with an 8-hour delivery window

This contractually retained facility costs £60 per week, and the standard weekly rental fee remains.

### Optional extras:

- Width – choose from 1.8, 2.2 or 2.4 metres
- Racking and trays
  - Racking can be configured for bariatric, standard or paediatric bodies as required
- 24/7 remote temperature monitoring
  - Alerts by email and mobile notification
- Extra wide room
  - Expandable to 2.4m (internal dimension), providing more space to manoeuvre
- CCTV and motion sensor technology
- Trolley ramp
- Inward opening doors
- Additional side access doors
- Bespoke lighting

## 3 | Hire Purchase

from £15 per day (delivery charge applicable)

A tailor-made, immediate solution that provides an alternative to a capital bid process, we will work with you to design and build a room of any size, indoors or out. Agreements from 1 to 7 years.

The delivery lead time is around 7 days but can be quicker, depending on the requirements. While on hire, we provide 24/7 breakdown cover plus backup storage if required.

At the end of a year term, the asset can either be off-hired, continue on rental, or purchased.

The indicative rental cost of this 32-body room is £29 per day on a 3yr HP with an end-of-term purchase price of £870

### Flexible size

Customise our chamber to suit your requirement

### Multi temperature

Freeze or chill capability

Please feel free to contact me with any questions or specific requirements you may have, or if you would like to arrange a site visit.

With best wishes

 Powered by 2 GOVI multi-temperature motors

# Remote Temperature Monitor

Our remote temperature monitor provides peace of mind, and a historic log, through instant mobile and email alerts. As well as being monitored by our team, the app can be installed on several devices.

The basic system costs £50 per month and operates on Wi-Fi, or over the 4G mobile network (\*additional cost).
